Now that you have attended the Greater Bridgeport Bar Association's seminar on committee work, the court requires that you observe a sale conducted by an experienced committee. To that end you have been assigned to observe the attached sale. All information you are receiving other than this letter is what you would receive if you were appointed as a committee yourself. Please contact the committee as soon as possible to inform him/her that you will be observing the sale. Should you have any problems with observing the sale on this date, please immediately inform the clerk's office at (203) 579-6527, and you will be assigned a different sale.
